

LEGEND

EXISTING

- Existing building
- Existing contours at 0.1m intervals
- Existing tree to be protected and retained
- Existing shrub to be removed
- Existing fence to be protected and retained
- Item to be removed / demolished including all footings.
- Existing windmill

PROPOSED

- Shelter - refer to precedents
- Grey concrete footpath
- Service road - design by others
- Compacted granitic sand surface
- 300mm deep soft fall zone mulch to comply with AS/NZS 4422:2016 (impact attenuating)
- 75mm deep soft fall zone mulch (non-impact attenuating)
- 1.2m high pool style fence
- 1.8m high security fence ie. palisade
- Feature panel ie. laser-cut panel
- Steel edge
- Proposed trees
- Lawn to match existing
- Garden bed with timber mulch
- Picnic table - refer to precedents
- Bench seat with arm and back rest - refer to precedents
- BBQ - refer to precedents
- Timber bollards at 1.8m centres
- Grey concrete edge 200mm wide and deep to provide edging to playspace.
- Proposed location for sculpture / indigenous art - refer to precedents
- Proposed sign location
- Future possible path (design by others)
- Proposed lighting
Fittings to be selected by BSC
- Suggested location of heelsafe top entry pit lid - subject to engineering input
- Suggested grading on trafficable surfaces - subject to engineering input

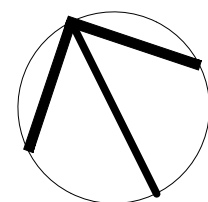

SERVICES

- Telstra
- Gas
- Water
- Sewer
- Storm Water

Base information derived from the following sources:
- survey provided by BSC
- Aerial Photo (Nearmap)

Due to possible distortions associated with the aerial photograph and the survey base plan, the location of existing and proposed features are approximate only and should be verified on site prior to commencement of works. All dimensions / areas shown are approximate only and should be confirmed on site. Refer to titles for legal purposes and for exact boundary locations and property areas.

Note
This plan set is a Landscape Concept only. Further engineering design of drainage, road surface and turning circles is required.
