1. POLICY STATEMENT

It is often appropriate to name Council-controlled community facilities and public places to recognise and honour the history and culture of Berrigan Shire and its community.

When naming these facilities, it is important that the names chosen are appropriate and that the views of relevant stakeholders are given consideration and weight. It is also important that a consistent process is used to determine the names chosen for a facility.

This policy provides a consistent and open process to determine appropriate and relevant names that reflect the history and culture of Berrigan Shire and its community.

2. PURPOSE

The purpose of this policy is to ensure:

- A consistent process is followed when naming Council controlled community facilities and public places
- Names chosen for Council-controlled community facilities and public places are appropriate and enjoy community support
- All parties involved in naming relevant facilities understand the Council's process.
- Recognition of places and people with historic, scenic and/or cultural significance.
- The names of relevant facilities and the rationales behind the naming are recorded and stored for future reference.

6. **POLICY IMPLEMENTATION**

- Demonstrated achievement at a high level
- Portray the appropriate physical, historical or cultural character of the area/place concerned
- Be consistent with the overall interest, values and expectation of the Berrigan Shire community

Policy

- Council staff
- The responsible volunteer Committee of Management
- User bodies using the facility
- Other community groups and government organisations
- The general public

Requests for naming or renaming a facility must be submitted to the Council in writing and include sufficient information on the name and its link to the facility to allow the Council to make a decision.

Council officers will consult with relevant parties in a discreet fashion about the proposed name and prepare a report for the Council.

If the facility is proposed to be named after a living person, the Council will require that person's express approval.

Before a deceased person's name is proposed for naming, the deceased person's next of kin or appropriate relative will be consulted where practicable,

While there is no obligation to undergo a public consultation process, the Council may seek public comment should it feel it to be appropriate.

As a result of the consultation process, the Council will not promise and cannot guarantee confidentiality regarding any naming proposal put forward.

Approval of the proposed name will then be determined by the Council by means of a Council resolution based on the report provided and the judgement of the Council.

6.3 Appropriate names

The Council will not approve naming facilities after sponsors; however individual rooms and features may be informally named as such by user bodies on a temporary basis.

As a general rule, facilities will not be named for members of Council staff, Councillors or those formally associated with Council, as long as that formal relationship exists. An exception may be made where the naming is specifically to honour the Councillor's or staff member's service outside their formal Council role.

6.4 Miscellaneous

The Council will ensure the origin of the name will be clearly stated and recorded.

Once approved, the installation and type of signage will be coordinated by the Council with the cost being borne by the applicant of the request. Only in extraordinary circumstances will the Council cover the cost of purchasing and installing signage.

If a facility that has been named is removed or replaced for any reason, or the nature of the facility changes, Council is not obliged to retain the name.
